

A Philosophy On Life

The most unfair thing about life is the way it ends. I mean, life is tough. It takes up a lot of your time.

What do you get at the end of it? A death. What's that, a bonus? I think the life cycle is all backwards.

- **You should die first; get it out of the way. Then you live in an old-age home.**
- **You get kicked out when you're too young, you get a gold watch, you go to work.**
- **You work forty years until you're young enough to enjoy your retirement.**
- **You do drugs, alcohol, you party, you get ready for high school.**
- **You go to grade school, you become a kid, you play, you have no responsibilities.**
- **You become a little baby, you go back into the womb, you spend your last nine months floating ... you finish off as an orgasm.**

It's perfect!
